10/10 Service on Roof

Roofing review in Whitby

Over 3 years ago

I am very happy with Sheridan Home Improvements. From my call to Adam to get an estimate to the actual service completed by Joshua, their customer service was excellent. They were courteous, informative, efficient, and timely. I was very satisfied with the quality of my repair and the knowledge about roofing that both Adam and Joshua displayed. The cost was more than reasonable. Keep up the great work!

10/10 Roofing

Roofing review in Ajax

Adam and his team completed the re-shingling of my roof in Ajax. Not only were they competitively priced but the workmanship was superb. Adam was very prompt with responding to emails, his team was polite and courteous and best of all they completed the job in under 12 hours with quality and no garbage remaining on site. They use great shingles which has great warranty so with their skill set I am confident this job will be built to last.

This is a truly professional contractor . The contact person, Adam, analysed roofing issues and corrective improvements as part of the job. The quality of the finished job has brought passers by to complement. For quality, price, punctuality, skill and post job cleanup the ten rating is truly deserved.

Just had our roof done with Sheridan Home Improvements. Adam and his team were exceptionally professional and thorough. Price was lower than our expectations, but quality was far superior. From stripping the old roof to cleaning up when finished, we could not be happier. Will highly recommend Sheridan Home Improvements.

I would highly recommend Sheridan home improvements (and have many times) for their professionalism, punctuality, pricing, and the overall experience of hiring them. When I called to enquire about my roof, the owner Adam came out the same day and was very good at explaining all details of the project with me. I was so impressed with how quick and easy him and his crew made the entire project from start to finish. I am doing some other renovations to my home later this year and I am definitely going back with Sheridan Home Improvements.

I was very satisfied with the excellent service and the professional job by Adam and his crew. Adam delivered on all promises, he was on time to do a written estimate as well as started the job on time. I was impressed with his attention to detail and his organized work habits. His crew was friendly, especially Mike and they worked diligently through the extreme heat with rarely stopping for breaks. You can't go wrong with Sheridan Home Improvements, great service, excellent job, and at a fair price.

I was extremely impressed with the professionalism and overall experience with Sheridan Home Improvements. I received a quote in my mailbox and when I called, was pleasantly surprised that the Owner came out the same day and took the time to get on the roof, taking pictures and then showing me and explaining what was going to be done. The roof looks great and I have happily recommended them to several co-workers and neighbors!
